Mr. Lee M. Cassidy
Executive Director
President's Commission on
Personnel Interchange
1900 E. Street, N.W.
Washington, D.C. 20415

Dear Mr. Cassidy:

Thank you for your letter of 8 January 1979 to Admiral Turner inviting us to participate in Interchange X (1979-1980) and requesting that we identify a host position by 15 April 1979.

Representatives of our Office of Personnel, who are coordinating the program, have been in contact with Miss Otis and Mr. Stein regarding our participation. As you may know, we will not be nominating a candidate for experience in the private sector this year, but we have identified a host position in Admiral Turner's office. In a letter to Mr. Stein dated 15 March 1979, the Acting Director of Personnel advised him we were interested in an executive who would serve as a Special Assistant to the Director in a variety of activities, including management, planning, and liaison with the business community.

I regret that we do not have a candidate for the private sector this year, especially since our current program participants have been most favorable in their comments concerning their work experience. We are looking forward, however, to hosting an executive and await your nomination of suitable candidates.

Sincerely,

/s/ Frank C. Carlucci
